

# CONSTRUCTION ALERT

## Road Closure and Detour on Park Street in Kissimmee

Financial Project ID: 423446-9-52-01

Park Street at the railroad crossing between Bay Street and Royal Street will be closed in both directions beginning 7 p.m. Friday, March 17, through 5 a.m. Monday, April 3. SunRail will be performing drainage work east of the crossing through next week. Replacement of the crossing is scheduled to begin March 25.

During the closure, traffic will be directed to use Lawrence Silas Boulevard, Neptune Road and North Brack Street as a detour. Signs will be placed throughout the detour to direct drivers.

The closure is needed as part of SunRail's Phase II South extension project, which will add approximately 17.2 miles of new rail line between the Sand Lake Road station in Orange County and the Poinciana station in Osceola County. The project also involves double tracking most of the corridor and improving grade crossings.

Please note that schedules may change due to weather or other unforeseen circumstances. Updates are available at [www.cflroads.com](http://www.cflroads.com).

Should you have questions or concerns, please contact Construction Public Information Coordinator Carolyn Fitzwilliam at [carolyn.fitzwilliam@dot.state.fl.us](mailto:carolyn.fitzwilliam@dot.state.fl.us) or 407-637-7461.

SunRail urges drivers and pedestrians to use caution around trains, railroad crossings and construction. Be smart. Be safe.
