

CONSTRUCTION ALERT

Road Closure and Detour at West Taft Vineland Road in Orlando

Financial Project ID: 423446-9-52-01

Motorists are advised that West Taft Vineland Road will be closed in both directions at the railroad crossing just west of South Orange Avenue from 9 p.m. Friday, May 12, to 3 a.m. Monday, May 15.

During the closure, traffic will be directed to use South Orange Avenue, Fourth Street and Sidney Hayes Road as a detour. Detour signs will be placed throughout the area to direct drivers. Access to businesses will be maintained.

The closure is needed as part of SunRail's Phase II South extension project, which will add approximately 17.2 miles of new rail line between the Sand Lake Road station in Orange County and the Poinciana station in Osceola County. The project also involves double tracking most of the corridor and improving grade crossings.

Please note that schedules may change due to weather or other unforeseen circumstances. Updates are available at www.cflroads.com.
