

CONSTRUCTION ALERT

Road Closure and Detour on Pleasant Hill Road

Financial Project ID: 423446-9-52-01

SunRail will be closing Pleasant Hill Road in both directions at the railroad crossing between the intersections with Clay Street and Old Tampa Highway from 12 a.m. Saturday, Oct. 21, to approximately 3 a.m. Monday, Oct. 23, to replace the crossing.

Traffic will be able to proceed north on South Hoagland Boulevard from Clay Street and south on Pleasant Hill Road from Old Tampa Highway. During the closure, Pleasant Hill Road traffic will be directed to use South Orange Blossom Trail, Poinciana Boulevard and U.S. 192 as a detour. Please see the map on the back of this page for more information. Detour signs will be placed throughout the area to direct drivers. Access to businesses will be maintained.

The closure is needed as part of SunRail's Phase II South extension project, which will add approximately 17.2 miles of new rail line between the Sand Lake Road station in Orange County and the Poinciana station in Osceola County. The project also involves double-tracking most of the corridor and improving grade crossings.

Please note that schedules may change due to weather or other unforeseen circumstances. Updates are available at www.cflroads.com.

Should you have questions or concerns, please contact Construction Public Information Coordinator Carolyn Fitzwilliam at carolyn.fitzwilliam@dot.state.fl.us or 407-637-7461.

SunRail urges drivers and pedestrians to use caution around trains, railroad crossings and construction. Be smart. Be safe.

For more information about SunRail routes, schedules, and fares, please visit us at www.SunRail.com; follow us on social media; or contact our Customer Service Center at 855-724-5411, weekdays between the hours of 5:30 a.m. and 9:30 p.m.
