

CONSTRUCTION ALERT

Road Closure and Detour on Vine Street in Kissimmee

Financial Project ID: 423446-9-52-01

SunRail will be closing Vine Street (U.S. 192) in both directions at the railroad crossing east of Main Street, between Smith Street and Ross Avenue from 6 p.m. Saturday, Nov. 18, to approximately 3 a.m. Monday, Nov. 20, to replace the crossing.

Traffic will be directed around the closure as follows:

- Motorists traveling east on Vine Street will be directed to turn left onto Main Street, then right onto Osceola Parkway and right onto Michigan Avenue back to Vine Street.
- Motorists traveling west on Vine Street will be directed to turn right into Michigan Avenue, left onto Osceola Parkway, left onto Main Street and back to Vine Street.

Local traffic access to all businesses and side streets along Vine Street will be maintained. Detour signs will be placed throughout the area to direct drivers. Please see the map on the back of this page for more information.

The closure is needed as part of SunRail's Phase II South extension project, which will add approximately 17.2 miles of new rail line between the Sand Lake Road station in Orange County and the Poinciana station in Osceola County. The project also involves double-tracking most of the corridor and improving grade crossings.

Please note that schedules may change due to weather or other unforeseen circumstances. Updates are available at www.cflroads.com.

Should you have questions or concerns, please contact Construction Public Information Coordinator Carolyn Fitzwilliam at carolyn.fitzwilliam@dot.state.fl.us or 407-637-7461.

SunRail urges drivers and pedestrians to use caution around trains, railroad crossings and construction. Be smart. Be safe.

For more information about SunRail routes, schedules, and fares, please visit us at www.SunRail.com; follow us on social media; or contact our Customer Service Center at 855-724-5411, weekdays between the hours of 5:30 a.m. and 9:30 p.m.
